

Guy Harvey Launches an Amazing Hotel

Sep 27th, 2012 by Joyce Lafray.

You're gonna love it! The Guy Harvey Outpost launch got an amazing sendoff from the chefs at the Tradewinds Resort.

Guy Harvey Outpost, a TradeWinds Beach Resort is located on Florida's west coast on St.Pete Beach. The 211-room property, formerly the TradeWinds Sandpiper Suites, is the first Guy Harvey Outpost hotel in the United States. There's a superb gift shop and all kinds of special outdoors programs. Book at th Outpost or at the Tradewinds for a superb vacation. And don't forget to visit downtown St.Petersburg while you're at it - my home for 28 years!

RESERVATIONS:

For more information about the Guy Harvey Outpost, call toll-free (877) 428-4000 or visit www.GuyHarveyOutpostTampaBay.com.
